SUBJECT: Concurrence in Amendment No. 17 to Contract No. A-101 with
The Ramo-Wooldridge Corporation, [] Project CHALICE

25X1A

1. This memorandum contains a recommendation submitted for approval of the Special Assistant to the Director for Planning and Development. Such recommendation is contained in Paragraph 5.

2. Contract No. A-101 and Amendments Nos. 1 through 16 thereunder provide for the research and development and production in connection with electronic systems and supporting equipment being procured for CHALICE, Office of Communications, PPS/AMD []

25X1A

3. Amendment No. 17 extends the period of performance of the contract to cover the period 1 July 1958 through 31 March 1959 which period of time, it is estimated, will be required for completion of deliveries and rework of System 4. No additional funding required for this Amendment.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.
